Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Sunday 16 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Frequent showers continuing, with a risk of hail and thunder.

This Evening and Tonight:
Showers will persist for a time this evening, but they should clear to leave a mostly dry night, though remaining largely cloudy. The occasional scattered shower may still be seen. Minimum temperature 6 deg C (43 deg F).

Monday:
Showers quickly develop into the morning, becoming heavy at times and with a risk of hail and thunder. The most frequent of which found in the south. Drier again overnight. Maximum temperature 16 deg C (61 deg F).

Outlook for Tuesday to Thursday:
Sunny spells and showers, heavy with a risk of thunder on Tuesday then turning lighter and more scattered for Wednesday. Becoming windy through Thursday, as a band of rain arrives.
